NPJ
VOLLEYBALL

North Pacific Juniors was founded on the simple idea of helping **Athletes use Sports**, to get where they want to go in life.

NPJ
VOLLEYBALL

A black and white photograph of a group of young male volleyball players and a coach. They are all smiling and celebrating. One player in the center is holding a trophy high in the air. They are wearing USA Volleyball jerseys and medals. In the background, a banner reads "UNITED STATES OF AMERICA".

Ultimately, we want our kids to have fun and play in a supportive, safe, family environment. This kind of focus is at our **core** and something we are proud to provide to all our players at all age levels.

TEAM PRACTICES

Practices will be **2 times a week for 2 hours** for all teams. We do not practice more than that, because school and family time is important to stay well balanced.

12U-14U Practices are generally 5:00 to 7:00pm

15U-18U Practices are generally 7:00 to 9:00pm*

Practice schedules/locations for each team will be announced the week following tryouts. Practices start the week of Oct 1st.

TOURNAMENT PLAYING TIME

Equal playing time is NOT guaranteed, playing time is earned.

Equal playing time is never guaranteed on any team or at any event. Our philosophy is to put “the 6 players that play the best together” on the court. You are paying for training, not playing time.
