

THE ILLINOIS LACROSSE LEAGUE

GIRLS SPRING LEAGUE RULES & GUIDELINES

ABOUT THE ILL:

The Illinois Lacrosse League (ILL) is dedicated to providing community based club teams a competitive and structured league environment. The ILL is managed by Lacrosse America, the Midwest leader in lacrosse events. Formerly known as the North Shore Lacrosse Conference, the ILL is expanding to teams throughout Northern Illinois as we continue our mission to #GrowtheGame!

ILL LEAGUE FEES INCLUDE:

~ 7 League Games:

Each team will receive a minimum of 7 league games during the Spring ILL season. Each team will receive 2 home games, assuming they submit enough home availability to accommodate.

~ Scheduling:

ILL games are scheduled by the league commissioner through ILL's proprietary scheduling software. In order to create the best possible schedule for each team, Spring clubs request their division of play and submit home field availability 1 month prior to the release of the schedule. Based on the aggregated information, a final schedule is created by taking into account the different needs of each team.

~ League Officials:

The ILL utilizes certified women's referees in all ILL games. The league handles all scheduling, coordination, and payment of officials for all sanctioned ILL games to ensure all games are properly officiated.

~ Online Schedules & League App

All teams schedules, results, and league standings can be found on the ILL website (www.IllinoisLacrosseLeague.com) and through the [PlayLA Live](#) App (available in the App and Google Play stores). In addition to the league schedules, field maps, and other useful team tools are accessible through the PlayLA app.

~ ILL Orientation Day:

ILL will host a league orientation day in March that will introduce league administrative tools including the PlayLA app info, game scoring procedure, rescheduling games procedures, and other administrative items for the success of the league. In addition to the administrative functions, the ILL orientation day will include a seminar on girls game rules and on field practice coaching demos for all league Directors and coaches.
