BUILDING PASSION AND EXPERTISE IN EVERY PLAYER

TO OUR SOCCER COMMUNITY

FC United has been an integral part of my life since I was nine years old when I started in the Trevian Soccer program. As I progressed into FC United, the club continued to provide me with a platform for growth, both in the sport and as a person. FC United has helped mold me into the person I am today and for that, I am incredibly grateful and have dedicated my career to give back to the next generation of athletes.

As a club, we have had some exciting changes in recent years and are thrilled to embark on the next phase of our story. Through all of our growth and progress, the club's mission remains the same: *provide an unmatched soccer experience for all our players and families*. Our members deserve a top-notch performance on the field, transparent communication, proper planning, and consistent execution. Our team works hard to achieve these goals for each and every player in our club.

FC United uses one key mantra as an internal guide to help achieve our goal of providing an unmatched player experience: *Player First*. We always put the players' interests first, above all else. By keeping the players' interests at the forefront of every decision, we believe we create something special which each player will take with them to the next phase of their lives.

On behalf of our administrators, coaches, and directors, we thank you – the players and families – for your dedication to the game of soccer and commitment to the club. I look forward to seeing you on the fields soon!

COMMUNITY IMPACT

MORE THAN A CLUB!

The success of the club is not measured solely on wins and losses, but on the positive impact that is felt across all of our teams and our communities. TopSoccer is a program that embodies the spirit of the game beyond the pitch! Run by the TSC Foundation, the TopSoccer program provides opportunities for children with special needs to participate in sports. Currently over 75 children with special needs participate in this program!
