

*What are PODs?*

A PODs stands for Play-On Development system (PODs). It will consist of multiple teams with similar abilities.

*How fast will we change the FCU Level of play?*

We will monitor CDC and other agency guidelines, evaluate our local environment, and determine our ability to safely move to the next level.

*Are we still using Pinnies at practice?*

Yes, we will still be using pinnies at practice. We will be providing a pinny for your personal use all year. Please keep it in your bag.

*What do I need to bring to practice?*

Please bring a water bottle, extra mask, pinny (we will give to you for the year), hand sanitizer, and all your soccer related equipment, including your own ball.

*Do I need to wear a face covering during practice?*

You do not need to wear a face covering during practice. You do, however, need to wear a face covering as you enter and leave the field. Your Coach will provide instruction on when it is safe to remove before the training/game begins and when necessary to put back on at the conclusion of the training/game.

*Are my practices any different than prior years?*

No, practices will remain the same. You will be with your team and head coach.

*How will the games work this fall?*

Games will be on the weekends. You will play against another team within your PODs. There will be referees. Uniforms are required.

*What happens if a player on my team has a positive COVID test?*

Each situation will be handled on a case by case basis. Attendance will be monitored and recorded at each and every training and game.

*Can I go to another team's practice?*

No, you must attend only your team's practice sessions.
